

## 185/60R12C 104N TR603 FRT / DZB00990-01 6J12 5/67/112 ET30

### Spezifikationen

|                            |                          |
|----------------------------|--------------------------|
| Grosse:                    | 185/60R12C 6J12          |
| Belastung/Geschwindigkeit: | 104/101N - 5/67/112/ET30 |
| Profil:                    | TR603 - DZB00990-01      |
| Marke:                     | Security                 |
| Kategorie:                 | Komplettträder           |
| Breite:                    | 185                      |
| Serie:                     | 60                       |
| Aufbau:                    | R                        |
| Zoll:                      | 12                       |
| Last-Index:                | 104/101                  |
| Geschwindigkeitsindex:     | N                        |
| TL/TT:                     | TL                       |
| 40HC:                      | 1000                     |
| EAN-Code:                  | 4262373885714            |
| Hinzufügen. Info:          | GREY JC1004              |

### Technische Details

|                   |                    |
|-------------------|--------------------|
| Empfohlene Felge: | 6J12 5/67/112/ET30 |
| Luftdruck (bar):  | 6.5                |
| Gewicht (kg):     | 14.950             |

### Kennzeichnungswerte

|                         |               |                                                                                       |
|-------------------------|---------------|---------------------------------------------------------------------------------------|
| Rollwiderstand:         | D             |  |
| Nass / Grip:            | C             |  |
| Geräusch:               | B (72 dB)     |  |
| Code der Kennzeichnung: | <u>437023</u> |                                                                                       |
